This place to me is the best luxury rental place in the city of Dallas! Wish they had a location in my city. The process is seamless and cars are very clean. The even go the extra mile to ensure customers are happy unlike other places I've used in the past. If you're considering renting an exotic car this is definitely the place. They will not let you down!!

I'm beyond pleased to have done business with The Classic Lifestyle. Garron was very professional, friendly, and knowledgeable about everything I asked. I rented the white lambo for my son's birthday, and he had a very memorable experience. I will definitely be doing business here in the future, as well recommending these guys to other people.

Prompt, professional, and confident service provided with the vehicle inventory and knowledge to back it up. The leasing process is streamlined and simple. Also they have what they say they have; no bait and switch or surprises on the exotics. The Classic provided an elite experience.

We rented the Lamborghini Huracan from Classic lifestyle, it was my birthday present. Luke and his team were so fantastic getting the day set up. The focus of their conversation was to have fun and enjoy the car to the fullest. Not to mention there are just a bunch of really cool people there who love cars as much as I do. I can't say enough to represent how great The Classic Lifestyle is. Thank you guys!!!

The day after Christmas, I worked with Johnny to rent a Lamborghini Huracan LP 610-4 Spyder. The car was AMAZING and the customer experience was top-notch!!

UPDATE: I've just rented my 2nd wonderful machine from Johnny; this time I went for the Corvette Grand Sport. As with the first rental, the experience working with 'The Classic' was wonderful.

Amazing service. However, due to the pandemic, we experienced some issues trying to rent a vehicle. Sadly, my husband and I were exposed to Covid just a few days before our rental and we were forced to cancel. The staff did an exceptional job of refunding us completely as well as scheduling our next rental. We've never worked with a company so accommodating. We could tell it wasn't just about the money, but more about the experience. I highly recommend The Classic.

We will be renting again very soon.

As a customer you may feel you have several options do to competition; but before you make a decision... let me say this...Look no further! The Classic is an advanced rental agency that promises a competitive line of the most exotic autos ever to be driven. Looking for the right car but can't find it with anyone else... go to The Classic. I highly recommend Classic Lifestyle to anyone looking to book an exotic rental for an event in the DFW area!

I used it for my wedding and they were very professional, friendly, and responsive throughout the entire process. Since day one there was never any push to sell, just a very informative experience. They responded near-instantly through call and text and the payment process was very straightforward.

Drop off and pick up was very efficient and they were punctual on vehicle drop off and didn't hassle me for being 20 minutes late on returning it (sorry!)

Loved the car, it was clean, ran great, and was super fun!! Thanks again for the awesome send-off car!!

I rented the white RR Ghost for my best friends wedding.

The Classic delivered on all of my expectations. The driver Jose was very personable, punctual, and very professional (next time I hope he's our driver). The car was beautiful and extremely clean. As the car arrived all heads turned and the show began! The Bride and groom (whom this was a surprise for) were comfortable and worry free as they were chauffeured in luxury to their destination. Thank you for adding the cherry on top of an already magical night.

Contacted the classic a few hours before my road trip to Austin, Luke set me up with a brand new 2021 Escalade, had it delivered to my personal residence within the hour and I was on my way to Austin. Absolutely loved the experience from start to finish. Highly recommend these guys.

Truly amazing experience couldn't think of a better way to spend the week then behind the wheel of these artworks of engineering. I chose the 2019 Corvette ZR1 and it's everything you read about so much power indulged by absolute precision truly an American masterpiece. Luke and Johnny really brought the whole experience together making sure I was comfortable with the car understood the power level and were always available by phone to answer any questions during the rental. I have tried most of the exotic car rental businesses in dfw The Classic is truly above and beyond the others.

The Classic made my wedding day great. Rented a white Lambo from Luis on a very short notice. Out of all the places I called and was in desperate need Luis was the only one that even took the chance to make it happen for my wedding. It was great customer service, constant communication and no worries about the experience I had. If you're looking to rent an exotic car I would hands down choose The Classic. Thank you Luis for a great experience sir.
